

HUGO BOSS | LAS VEGAS, NV

 THE VENETIAN HOTEL LAS VEGAS

CLIENT / OWNER

Hugo Boss Retail, Inc.

ARCHITECT

Creative Design Architecture

DURATION

10 weeks

SIZE (SF)

2,200

Awarded Honorable Mention by VMSD Magazine's 2011 Retail Renovation Competition, Hugo Boss' new boutique luxuriates in fine finishes and tasteful details. Fisher reclaimed a section of the high roller gaming floor, and had to perform all work at night. The ornamental fireplace, handsome ceiling molding and crystal chandelier were preserved. The level-5 finishes and German-imported fixtures gives this store its sleek, modern aesthetic that is signature Hugo Boss.
