Aliph

ARCHITECT

Wong Zac Architects

DURATION

18 weeks

COMPLETION DATE

January 2012

SIZE(SF)

23,000

Jawbone needed flexible office space for its rapidly growing workforce. Fisher remodeled two floors using an open floor plan and exposed ceiling. Scope included build out of conference room, work stations, kitchenette and reception area. All new systems including MEPs, security and life/safety were part of the 20-week project scope.
