

LA BOULANGE

📍 16 WEST PORTAL AVENUE, SAN FRANCISCO

CLIENT / OWNER

Starbucks

ARCHITECT

MBH Architects

DURATION

16 weeks

COMPLETION DATE

April 2014

SIZE(SF)

3,300

Fisher Development transformed a dilapidated corner grocery store into a new local destination for Starbucks' newly acquired brand, La Boulange. The local eatery features indoor and patio seating, a bakery/café and a full kitchen that serves breakfast, lunch and dinner. The 3,300-sf space features rustic wood flooring, subway tiled walls and La Boulange's signature casework and fixtures.

MARKET SECTOR

Restaurant

PROJECT TYPE

Tenant Improvement
